

Collection Name:

Federation of Norwegian Women's Societies, Chicago papers, 1915-1983

Collection Number:

P0907

Extent:

0.8 cubic feet (2 archives boxes)

Abstract:

Minute books and other papers of an organization which was organized "to bring Norwegian women of Norwegian descent into close union for mutual advantage and education, to encourage better civic conditions and to provide scholarships for worthy students of Norwegian descent." Among the achievements of the Federation was the saving of the Viking Ship and moving it from Jackson Park to Lincoln Park.
