Collection Number: P0819

Extent: 0.4 cubic feet (1 archives box and 1 volume)

Abstract: Dr. Blegen was editor of the Norwegian American Historical Association publications, 1925-1960. The letters in this collection are those written to Mrs. Helen Katz, his assistant, usually in connection with editorial details. They are written in a bantering tone and reveal interesting aspects of Blegen's personality, and also the personality of Mrs. Katz, who added her own comments to the letters before she donated them to the archives.
