

**Collection Name:**

Adolph M. Hanson papers, 1919-1942

**Collection Number:**

P0544

**Extent:**

0.8 cubic feet (2 archives boxes)

**Abstract:**

Papers of a Faribault, Minnesota, physician: poems, correspondence, and articles dealing largely with his invention of, and the patent on, his extract of parathyroid gland, the royalties from which he donated to the Smithsonian Institution. Hanson was the son of Martin G. Hanson and grandson of Osten Hanson, past president of the Hauge Synod. Hanson held the rank of major in the Sanitary Commission during World War I.

<b>Box</b>	<b>Folder</b>	<b>Description</b>
