Abstract:

A biography of and articles, speeches, essays, manuscripts, and meditations by a Norwegian-American journalist who had a long-time career as editor of Decorah-Posten, beginning in 1927. The biography, "An Editor Chooses America: The Story of Einar Lund," is written by his daughter, Eva Lund Haugen. Ms. Haugen states that a thesis on Lund written by Baard Meyer-Myklestad had overlooked items her article includes. The mentioned Meyer-Myklestad thesis is in the NAHA Book Collection.
