

**Collection Name:**

Magnus Bjordal papers, 1899-1971

**Collection Number:**

P0765

**Extent:**

0.75 cubic feet (2 archives boxes)

**Abstract:**

Papers of a Norwegian-born American engineer, who came to the United States in 1922 and who founded and was president of Technical Laboratories in Weehawken, New Jersey. A leader in many Norwegian-American activities, he also did considerable research on the Norwegian discovery of America. He was president of NAHA, 1969-1971.
