20	15	Anonymous. "Aarsager hvorfor Jens Jensen og hans familie udvandrede til Amerika" (Reasons why Jens Jensen and his family emigrated to America (Chicago, IL., assumed Anchor Line, 1871). 66-page softcover saddle stitch bound volume. In addition, a photocopied 1870 printing is included with the donation. In his sweeping overview of Norwegian-American literature, Orm Øverland's book, "The Western Home: A Literary History of Norwegian America" (1997), touches upon this extremely rare pamphlet. Øverland writes in part: ...it is safe to say that its purpose was not literary, nor was it to create an "entertaining counterbalance." The full title continues: Containing Much Useful Advice on How One Leaves Home and the Journey to the United States and Information for Persons who Plan to Settle There. The title page further informs us that the book is "Published for the guidance and benefit of emigrants by a fellow countryman and friend of humanity." Aarsager hvorfor Jens Jensen og hans familie udvandrede til Amerika is a promotional pamphlet for the Anchor Line disguised as fiction. Not only does the story demonstrate the advantages of this steamship company over its competitors in the Atlantic trade but the pamphlet includes advertisements, mostly for the Anchor Line but also for the Union Pacific railroad and its Nebraska Land Commissioner.	1870	1871
