

**Collection Name:**

Ole Godfred Landsverk papers, 1921-1985

**Collection Number:**

P0724

**Extent:**

4.4 cubic feet (11 archives boxes)

**Abstract:**

Papers of the owner of the Landsverk Electrometer Company, Glendale, California. Landsverk was an enthusiastic promoter of the Kensington Runestone and other runic inscriptions, with emphasis on cryptographic messages to be found in them. He also was research director for the Leif Erikson Association in Los Angeles, and a leader in the campaign for a Congressional Proclamation of 9 October as Leif Erikson Day.
