

## **Collection Name:**

Laurits W. Krefting papers, 1849-1978

### **Collection Number:**

P0835

#### Extent:

2.0 cubic feet (5 archives boxes)

## Abstract:

Papers of a research biologist of the United States Fish and Wildlife Service, St. Paul, Minnesota. Mr. Krefting was presented an "Award for Outstanding Publication" in 1974 for the monograph on the Isle Royale moose. After his retirement Krefting decided to coordinate materials concerning the Norwegian fishermen in the Lake Superior Region. His work had already given him considerable background; he continued by extensive reading and by conducting recorded interviews.
