

Call for Abstracts for an Edited Volume: *Rølvaag Reconsidered*

Submission Period: April 22-May 31, 2026

In recognition of the 100th anniversary of the publication of O.E. Rølvaag's *Giants in the Earth*, the Norwegian American Historical Association seeks contributions to an edited volume reconsidering Rølvaag and his life's works to be published in 2027.

Articles in the volume can address this topic from a variety of analytical and disciplinary perspectives, and may have a biographical, literary, and/or historical focus. Topics that extend our understanding of the Norwegian-American experience through analyzing Rølvaag and his writings in the context of new historical eras, new geographical areas, cross-cultural encounters, and/or innovative applications of theoretical models are particularly encouraged.

Send an abstract (250 words max) as well as a short CV (one page max) to NAHA editor, Anna M. Peterson (editor@norwegianamericanhistory.org) before May 31, 2026. First manuscript drafts are expected to be completed by December 2026. Individual articles should be based on original research.
